Providers have the option through *June 30, 2013* to rebill previously denied lens dispensing services claims billed retroactive to November 1, 2012.

After *June 30, 2013*, Medi-Cal Fiscal Intermediary will reprocess the remaining previously denied and cutback claims.

Providers who have already attempted to billed for retroactive and new claims for lens dispensing services from April 1, 2013, through May 15, 2013 and still received denials or cutbacks will not be required take any action.
